## When Ordering Parts

Please include the Model and Vehicle Identification Number (VIN) of your vehicle to assist in ordering and obtaining correct parts. Use the exploded view and the table listing, of the area of interest, for exact identification.

## ***Parts Information***

Consists of exploded view illustrations and associated parts list tables.

The tables include:

- **Reference Numbers** - "REF." is the identifier number from the illustration
- **Part Name** - Contains the name and description of the part
- **Part Number** - "PART NO." is the number that is specific to the part you are ordering
- **Quantity** - "QTY" reflects the number of items required to repair **one** vehicle
- **VIN** - Last (8) characters of VIN is listed when a part needs to be ordered specific to VIN

## ***Color Codes***

When ordering parts, add color code (see color code chart) to the end of the part number, to ensure the proper colored part is ordered for your vehicle.

<b>Code</b>	<b>Color</b>
01	Black
02	White
03	Blue
